JACUZZI/ HYDRO MASSAGES

A gently jet massage bath that stimulates from the surface of the skin onwards. The deep tissue massage stimulates body vessels and nerves ending. PARADISE uses six jets for massage which relaxes your body's entire muscular system, and also uses 1.5 hp high pressure motor enabling water flow of 375 litres per minute, and you can adjust jets speed limit, where the streaming of air flow controls the working of Jacuzzi and you can enjoy bathing on the SOAPSUDS.

CLEAR SKIN

Steam showers have the ability to unclog pores and remove deeply trapped congestion from under the surface

STRESS RELIEF

One of the most powerful benefits of steam showers is their ability to reduce both physical and mental stress.

WATER SAVING FLOW RESTRICTOR

Metabolism and Weight Loss : at steam increases blood flow by stimulating the lymphatic system which, in turn helps to speed up the metabolism.
